EDUCATION

Degree	Specialization	Institute	Year	CGPI
B.Tech	Computer Science & Engineering(AI)	Sri Vasavi Engg College	2023-Present	8.1
Diploma	Computer Science & Engineering	GIET Polytechnic College	2020-2023	7.5
SSC	-	Bhashyam Public School	2019-2020	10.0

SUMMARY

A motivated engineering student specializing in Artificial Intelligence and Machine Learning with a strong passion for UI/UX design, web development, and AI tool creation. Skilled in Python, Java, and front-end technologies, with hands-on experience in building real-world projects like online coding platforms, ML-based applications, and e-commerce interfaces. Proficient in tools like Figma, Canva, and GitHub, and actively involved in content creation for platforms like YouTube and Instagram. Continuously learning and applying modern technologies to solve practical problems, with a long-term goal of becoming a Machine Learning Engineer.

PROJECTS

- **Online Coding Platform :**
 - Designed features like problem-solving, teacher access, and an intuitive interface to enhance the learning experience.
 - Designed features like problem-solving, teacher access, and an intuitive interface to enhance the learning experience.
- **Amazon Clone Frontend Website (React js) :**
 - I designed and created a frontend website that replicates the functionality and aesthetics of Amazon, utilizing React.js as the primary technology. This project was completed within a tight timeframe of 7 days, showcasing my ability to work efficiently under pressure.
- **UI/UX Design Templates in Figma:**
 - Designed multiple UI/UX templates in Figma, including food apps, menus, and e-commerce websites
 - Provided creative and user-friendly layouts to improve overall user experience and engagement.
- **Student Assistant AI :**
 - Built an AI-powered assistant to help students with study support .

Certifications

- **Generative AI – Microsoft.**
- **Python Programming Internship – CodeBegun.**
- **UI/UX Design – CodSoft.**
- **Machine Learning Internship – CodSoft .**

TECHNICAL SKILLS

- **Languages:** Python, Java , MySQL, Html , CSS ,JavaScript.
- **Frameworks :** React , Django(beginner).
- **Tools:** VS Code, GitHub, Postman, Figma, Claude.
